

Happy Ramadan 1444 Hijri (2023)

The first day of Ramadan is March 21, 2023.

The last day of Ramadan is April 19, 2023.

Quran

2:183 - *O you faithful, fasting is decreed for you as it was decreed for those before you that you may attain righteousness.*

2:184 - *Specific days. Hence, if one of you is ill or on a trip, the same number of days shall be substituted later. And it is incumbent upon those who can afford it that they should repay by feeding the poor. Therefore, whoever does any good beyond the call of duty is good for him. And fasting is best for you if you only knew.*

2:185 - *The month of Ramadan is the month during which the Quran was revealed, as guidance for the people and proofs of guidance and the statute book. Therefore, whoever witnesses this month shall fast therein. And whoever is ill or on a trip, shall substitute the same number of days later. **God** wants you to be comfortable, He does not wish you hardship while you*

*are completing this duty and you shall glorify **God** for guiding you that you may be appreciative.*

2:186 - *And when My servants ask you about Me, I am always nearby. I respond to the call of the caller when he calls. Therefore, they shall respond to Me and have faith in Me that they may find guidance.*
